CHS Parking Agreement

1. Parking your car at CHS is a privilege that you have earned! As long as you follow all District Parking and state and local ordinances you may park your vehicle on a CHS parking lot.
2. In purchasing this permit, you are permitted to use the appropriate parking space issued to you. The student parking lot is the large parking lot on the north side of the High School. There is **NO** other student parking lot. You are **NOT allowed to park in front of the school or in the teacher parking lot which is located on the south side of the High School.** If you park in these areas, you will receive a written warning, and subsequent violations may result in the loss of your parking privilege.
3. Students are not permitted to loiter in the parking lot before school, you must enter the building when you arrive.
4. **Also remember Commerce ISD is a Tobacco free Campus.**

I understand these rules and have received a copy of the CHS Parking Rules & Guidelines. Failure to follow these rules may result in the loss of my privilege to park on CHS property.

I further understand that by my signature below I swear or affirm that I have a valid Texas Drivers License and the vehicle I operate on CISD property carries the minimum amount of liability insurance required by law.
