COMMERCE ISD E-LETTER • AUGUST 2019

Ready for 2019–2020

Starting the first day across the district

WELCOME BACK
Community leaders, cheerleaders and staff greeted students as they arrived for the first day of school.

Back-to-School Bash gets kids ready for the first day

The annual Back-to-School Bash helps families get ready for school. Sponsored by CISD Family Services, the Bash gathers community service agencies and volunteers in one spot to provide for most back-to-school needs. School supply assistance, free haircuts, ACE/Boys & Girls Club enrollment and the Commerce Food Pantry are just some of the services offered.

Carevide opens for business

CISD welcomes Carevide health clinic to the district. This new partnership will provide health services for CISD students while they attend school. Parents can make an appointment for immunizations or students can be referred during the school day and transported, with parent permission, to the clinic by CISD personnel.

The clinic will be open on Mondays and Thursdays. Carevide cares for students with Medicaid, private insurance, or uninsured and regardless of their ability to pay.

Many local donations have helped to make the clinic fully operational for this school year.

Meredith Longino is the nurse practitioner at Carevide's CISD location at the FACE building behind CMS..
